The Familiar Pose.

It is a fine picture Mr. Bryan makes

WEDDING.

Norman-Thresher.

Attended by only the immediate
families the marriage of Miss Louise
Hayward Thresher of this city and
Edwin Gates Norman of Worcester
took place on Thursday afternoon at
a o'clock at the home of Mr. and Mrs.
Charles H. Haskell, No. 22 Lincoln
avenue. The bride wore a gown of
white, and the groom wore a tuxedo.
The ceremony was impressively per-
formed by Rev. Samuel H. Howe, D.D.,
pastor of Park Congregational church,
and there was music by a trio, the
selections including the bridal chorus
from Lohengrin, the bridal music from
the Rose Maiden (Coven), and other
numbers. The solo selections were
taken by Miss Lucille Peck.

The bride wore white batiste and
carried a shower bouquet of white
roses and maidenhair fern. The wed-
ding gifts included china, silver, linen
and gold pieces and were many in
number. Mrs. W. W. Leonard and
Mrs. Hubbard R. Norman assisted in
serving the dainty repast.

Both young people have a large ac-
quaintance in this city, the groom hav-
ing graduated from the Academy '98,
Yale university '02, and Harvard law
school. The bride has been a school
teacher in this city for the past three
years. She was a graduate of the
Academy in the class of 1909. Mr.
and Mrs. Thresher left during the af-
ternoon upon their wedding trip and
will reside in Worcester, where Mr.
Thresher is a practicing lawyer.

ROBINSON FAMILY HAS REUNION AT FRANKLIN

Large Gathering at the Lavius Rob-
inson Homestead—Recitations and
Songs.

Local members of the Robinson
family attended the reunion on Thurs-
day at the old homestead of Lavius
Robinson at North Franklin. There
were 132 members of the family pre-
sent, coming from Boston, William-
sville, Lebanon, Providence and
Springfield. Those present from Nor-
wich were Mrs. Nelson Robinson,
Mr. and Mrs. A. E. Keables, Al-
fred Manning and family, William
Manning and family, and Philip Wha-
ley and family.

Light refreshments were served, and
there were recitations and singing.
Mrs. O'Connell of Springfield gave much
pleasure with her recitations. One
of the special features of the after-
noon's entertainment was the singing
by four little girls, Katherine Palmer
of Norwich, Alice Cadman of New
London, Lois Manning of Yantic, and
Bessie Randall of Yantic.

Peculiar Chinese Taste.

Chinamen have a preference for the
eggs of the goose or duck. These they
place with aromatic herbs in a steamed
bowl for a period of some weeks. Un-
der the influence of time the yolk
liquefies and takes a dark green color.
The white coagulates and becomes
green. The product of the eggs, which
has a strong odor, the Chinese eat as
a side dish and it is said to have the
taste of lobster.

American Grass Lines.

Aristotle says: "A land that sponta-
neously sprouts beauty in fruits,
flowers and women must also pro-
duce a glorious fruitage of intellect in
man." The girlish grace lines of the
Venus of Phidias almost exactly con-
tour to the lines of American demoi-
selles and matrons, and these are pre-
served longer and more gracefully
than in any other peoples—ancient or
modern.

The Wickedest People.

I think the wickedest people on
earth are those who use a force of
genius to make themselves selfish in
the noblest things; keeping themselves
aloof from the vulgar, the ignorant,
and the unknown; rising higher and
higher in taste, till they sit, ice upon
ice, on the mountain top of eternal
congelation.—Henry Ward Beecher.

The Bright Side.

A certain lady prides herself upon
always looking at the bright side of
things. "My dear," moaned her hus-
band one day recently, as he tossed
restlessly on his bed, "it's the doctor
I'm thinking of. What a bill he will
be!" "Never mind, Joseph," said his
wife. "You know there's the insur-
ance money."—Bellman

Council Makes Its Appointments

**Business All Done within a Half Hour with No Friction,
Democrats Standing Together—Lillibridge Resigns

Jarvis Cemetery Superintendent and Chief Stanton
and Deputy Chief Brown Reappointed—Briggs and
Lang on Water Board—Special Session Followed
Regular One.**

As was reported, the democrats who
have the controlling vote in the court
of common council, came to an under-
standing, and at the adjourned ses-
sion of the court of common council
on Thursday evening were united in
their vote for the officers of the city,
whom it was in their power to appoint.

The slate, as forecasted for a few
days went through in its entire make
up and the session lasted but about a
half-hour.

Milk Inspector's Ordinance.

At 8:14 o'clock the adjourned ses-
sion was called to order with Mayor
Thayer presiding and all the other
members of the council present. The
reading of the journal was omitted by
unanimous consent.

Mayor Thayer stated that the ordi-
nance regarding milk inspection which
had been called from the table by
Councilman Woodworth, had been pub-

lication council, that being Joseph T.
Fanning. The executive committee
therefore recommended Mr. Fanning,
but ballots could be cast for anyone
they desired. Mr. Fanning was unani-
mously chosen.

Fire Chief and Assistant.

There was only one name for fire
chief and Howard L. Stanton was
unanimously chosen. For assistant chief
the names of Henry E. Davis, Fred W.
Dearing and Arthur M. Brown were
presented, and the executive com-
mittee recommended Arthur W. Brown.
Mr. Brown received 12 and F. W.
Dearing one of the votes.

Seven Candidates for Street Commis- sioner.

There were seven names before the
committee for street commissioner.
John Donovan, John P. Murphy, George
E. Pittcher, Henry Gebrath, George E.
Fellows, Thomas Dodd and Errol C.
Lillibridge. The committee recom-
mended E. C. Lillibridge, and he re-
ceived 7 and G. E. Fellows 6 votes, and
the former was declared elected.

Cemetery Superintendent.

Six candidates were mentioned for
cemetery superintendent, James Har-
vey, C. W. Pearson, J. E. Metzger, J.
E. Fowler, John B. Steadard and Ar-
thur W. Jarvis. The committee rec-

Action on Lights.

For the executive committee, the
mayor reported that the committee
recommended granting the petition for
a light in Oakridge street, and it was
voted. They also favored two lights in
Carver avenue, which were voted.

Upon the petition of H. A. Ward for
a burg light in River avenue, the com-
mittee reported that the gas and elec-
tric department has a pole there, and
they favored placing the light, which
was voted.

Councilman Woodworth stated that the avenue ends in an abrupt offset without guard and what is needed there is some protection rather than a light, although he did not oppose the light. He inquired and found that that section of the avenue is not a public street and upon finding it so he urged that it become a street before the light be placed, as he thought the city would be liable to damages from the offset.

Mayor Thayer explained that the idea of placing lights on non-public

streets was not followed, and the
exception is made here only because
the pole is already placed there.

The petitioners for lights in Pros- pect park were given leave to with- draw. It being found that none of the streets in the park are public streets.

Water Commissioner Resigns.

The resignation of Errol C. Lilli-
bridge as a member of the board of
water commissioners was read by the
clock and ordered placed on file.

Alderman Ely asked if there was any
reason for the resignation, saying that
he thought if a man is elected by the
people he should not resign unless
there is a reason.

Mayor Thayer stated that he knew
of no reason and yet he knew of no
way a man can be kept in office. The
council cannot accept or reject the
resignation, as it is not an officer which
they elected, but they can make a note
of its presentation and have it placed
on file.

Council Names Commissioners.

As a member of the board of water
commissioners from the council, the
mayor stated that the executive com-
mittee had had three times presented
to them, Louis H. Geer, Walter W.
Lang and Charles E. Briggs. The
committee decided to recommend Mr.
Briggs. When the ballots were count-
ed it was found there were 12 for
Mr. Briggs, 5 for Mr. Geer and 1 for
Mr. Lang. Mr. Briggs was declared
the member of the board from the
council.

Councilman Woodworth stated that
he thought it was peculiar to see three
men named after the same thing. He
said he was thirteen and not twelve in-
dicating that he did not understand

the mayor had the privilege of
voting except in case of a tie.

Mayor Thayer stated that the char-
ter says that the council is composed
of the Mayor, aldermen and council-
men, and it further provides that the
common council shall elect certain of
the city officers. As the mayor, four
aldermen and eight councilmen make
thirteen, the votes are accounted for.

Corporation Council.

The mayor stated that only one
name had been recommended for cor-
poration council, that being Joseph T.
